

**UNITED INTERNATIONAL UNIVERSITY**  
**School of Business and Economics (SoBE)**

**Course Outline: CST 1206 – Computer Applications**

**Program:** BBA

**Trimester:** Summer 2026

**Course Title:** Computer Applications

**Course Code:** CST 1206

**Instructor:** Nafisa Rahman

**Email:** [nafisa@bus.uiu.ac.bd](mailto:nafisa@bus.uiu.ac.bd)

**Phone:** +880-1962-548184

**Office Location:** Room 219 (D), UIU Main Campus, United City, Satarkul, Badda, Dhaka

**Pre-requisites:** N/A

**Credit Hours:** 3

**Weekly Hours:** 3

**Total Marks:** 100

## Course Rationale

This course develops students' practical skills in using Microsoft Office applications for academic, professional, and business purposes. Students will learn to create and format professional documents using Microsoft Word, perform data analysis and business calculations using Microsoft Excel, and design effective presentations using Microsoft PowerPoint. The course emphasizes hands-on exercises, problem-solving, data interpretation, and real-world business applications.

## Course Objectives

The course is designed to provide the background of the following topics

- Application of MS Word, MS Excel and MS Power Point
- Concepts of Computer Hardware and Software, processing of data
- Application of MS Office in the preparation and presentation of formal report

## Course Progression Planning

| Class | Topic                                                                                |
|-------|--------------------------------------------------------------------------------------|
| 1     | Introduction to Microsoft Office/Formatting Font                                     |
| 2-3   | Popular Keyboard Shortcuts/SmartArt                                                  |
| 4     | Table Creation/Merging & Splitting Cells/Text Direction/Table Designing & Formatting |
| 5     | Quiz 1                                                                               |
| 6     | Page Number/Page Break/Section Break/Header & Footer                                 |
| 7-8   | Report Formatting/Report Guidelines                                                  |
| 9     | Style Formatting/Bullets & Numbering/Symbol                                          |
| 10    | Quiz 2                                                                               |
| 11    | Equation/Function                                                                    |
| 12    | Page Formatting/Watermark/Hyperlink/Form Control                                     |

| <b>Mid Term Exam</b> |                                               |
|----------------------|-----------------------------------------------|
| 13                   | Basic Excel Functions/PMT Functions           |
| 14                   | Absolute, Relative & Mixed Referencing        |
| 15                   | IF, Nested IF IFAND, IFNOT, IFERROR Functions |
| 16                   | Graphs & Charts                               |
| 17                   | Data Formatting/Missing Data Handling         |
| 18                   | Quiz 3                                        |
| 19                   | Data Sorting                                  |
| 20                   | Data Validation/Conditional Formatting        |
| 21                   | SUMIF, AVERAGEIF, COUNTIF functions           |
| 22                   | Quiz 4                                        |
| 23                   | Introduction to Microsoft PowerPoint          |
| 24                   | Basic Slide Creation with in-built Templates  |
| <b>Final Exam</b>    |                                               |

### CLOs and PLO Mapping

| <b>CLO</b> | <b>Description</b>                                                              | <b>Mapped PLOs</b> |
|------------|---------------------------------------------------------------------------------|--------------------|
| 1          | Define basic concepts related to computers.                                     | PLO1               |
| 2          | Apply Microsoft Office properly in everyday life.                               | PLO1, PLO2, PLO4   |
| 3          | Classify computer, hardware, software, input, output devices                    | PLO1, PLO2         |
| 4          | Advocate data-driven strategies for business development & strategy formulation | PLO2, PLO4         |
| 5          | Prepare a Group Report on : "Business plan"                                     | PLO3, PLO4         |

PLO1: Knowledge and understanding

PLO2: Critical Judgement, Problem Solving and Numeracy Skills

PLO3: Interpersonal Skills

PLO4: IT Skills

PLO5: Ethical, Social and Environmental Accountability

## Teaching-Learning & Assessment Strategy Summary

| Topic                | Teaching Methods                                               | Assessments                                                |
|----------------------|----------------------------------------------------------------|------------------------------------------------------------|
| Microsoft Word       | Lectures, Discussions                                          | Quizzes, Class Tests (CLO2)                                |
| Microsoft Excel      | Lectures, Discussions                                          | Quizzes, Class Tests (CLO2)                                |
| Microsoft PowerPoint | Hands-on Training, Business Cases, Real-life Case Applications | Assignments, Class Tasks, Presentations (CLO2, CLO3, CLO4) |

## Assessment and Grading

| Component                            | Marks       |
|--------------------------------------|-------------|
| Attendance and Participation         | 5%          |
| Quizzes/Class Tests (top 2 out of 3) | 15%         |
| Assignments                          | 15%         |
| Mid-Term                             | 25%         |
| Final Exam                           | 40%         |
| <b>Total</b>                         | <b>100%</b> |

## Grading Policy

| Letter     | Marks  | Grade Point |
|------------|--------|-------------|
| A (Plain)  | 90–100 | 4.00        |
| A– (Minus) | 86–89  | 3.67        |
| B+ (Plus)  | 82–85  | 3.33        |
| B (Plain)  | 78–81  | 3.00        |
| B– (Minus) | 74–77  | 2.67        |
| C+ (Plus)  | 70–73  | 2.33        |
| C (Plain)  | 66–69  | 2.00        |
| C– (Minus) | 62–65  | 1.67        |
| D+ (Plus)  | 58–61  | 1.33        |
| D (Plain)  | 55–57  | 1.00        |
| F          | <55    | 0.00        |

## Class Attendance and General Guidelines

- Class attendance will be taken at the beginning of the class.
- Late attendance will be provided only once, any further late attendances will be considered as absence.
- There is NO provision for make-up of missed classes and quizzes.
- Best 2 out of 3/4 quizzes will be considered in determining final score in class test.
- Failure to submit the Assignments on the due date will result in 50% deduction from the possible score.
- You are expected to follow the counseling time-table as set out in this course.
