

UNITED INTERNATIONAL UNIVERSITY COURSE SYLLABUS

1	School	School of Business and Economics (SOBE)			
2	Programme	BBA			
3	Name of Course	Business Research Methodology			
4	Course Code	BUS-3339			
5	Trimester and Year	Summer 2026			
6	Pre-requisites	BST 2216			
7	Status	GED			
8	Credit Hours	3			
9	Section	B			
10	Class Hours	Sunday/Wednesday: 09:51 AM – 11:10 AM			
11	Class Location	Room # 0222			
12	Instructor	Muhammad Hasan Al-Mamun, Assistant Professor, School of Business and Economics, UIU			
13	Contact	Email: mamun@bus.uiu.ac.bd Cell Number: 01712-216-556			
14	Office	Room 0337 (B)			
15	Counselling Hours		Day	Time	
			Saturday/Tuesday	09:51 – 11:10 and 12:31 – 01:50	
			Sunday/Wednesday	08:30 – 09:50 and 11:11 – 12:30	
16	Text Book	Business Research Methods (Latest Edition) – William G. Zikmund, Barry J. Babin, Jon C. Carr, Mitch Griffin, , South-Western, Cengage Learning, USA			
17	References	Marketing Research: An Applied Orientation (7 th Edition/Latest)—Naresh K. Malhotra, Prentice Hall (Pearson Education), New-Jersey, USA. Business Research Methods (Latest Edition) – Cooper, Donald R. and Schindler, South-Western Publications, USA.			
18	Equipment & Aids	Bring your own books and other suggested materials to participate effectively in classroom activities. You are not allowed to borrow from others inside the classroom during class activities.			
19	Course Rationale	The course is essential for students' ability to conduct research and to appreciate the role of research in the decision-making process. Building on the scientific method, this course aims to extend and deepen the understanding of different research approaches and methodologies in order to prepare students for their own research projects in their business discipline.			
20	Course Description	This course will assist students in identifying, discussing and formulating a research problem, in selecting and applying appropriate research approaches and methods of inquiry (both quantitative or qualitative), and in presenting their results.			
21	Course Objectives	The participants of this course are expected to appreciate the role of research in decision-making. They are also expected to be successfully engaged in identifying and formulating a research problem. Students are also expected to develop the skills necessary to conduct a business research project by following the steps of the business research process.			

22	Learning Outcomes	After completing the course, the students will be able to: 1. Understand the role of business research in decision-making and overall business research process 2. Define the business research problem 3. Apply various qualitative research tools and techniques 4. Use various methods of collecting data 5. Use appropriate scales to measure the relevant attributes of the objects of interest 6. Develop the appropriate sampling design and determine the necessary sample size 7. Analyze the quantitative data 8. Communicate the research results									
23	Teaching Methods	Lectures, Problem Solving, and Case Studies,									
24	Topic Outline	Class	Topics/Assignments	CLO	PLO	Reading Reference	Activities				
		1,2	The Role of Business Research	1	1,3	Chapter-1	Lectures Problem Solving				
		3,4	The Business Research Process: An Overview	1	1,2,3	Chapter-4	Lectures Problem Solving				
		5,6	Problem Definition: The Foundation of Business Research	2	1,2,3	Chapter-6	Lectures Problem Solving				
		7,8,9	Qualitative Research Tools	3	1,2,3	Chapter-7	Lectures Problem Solving				
		10,11,12	Methods of Collecting Data: Survey, Observation, and Experiment	4	1,2,3	Chapter-6 (Malhota)	Lectures Problem Solving				
			Midterm Week				Midterm Exam				
		13,14,15	Measurement and Scaling and Questionnaire Development	5	1,2,3	Chapter-13	Lectures Problem Solving				
		16,17	Sampling Design and Procedure	6	1,2,3	Chapter-16	Lectures Problem Solving				
		18,19	Determination of Sample Size	6	1,2,3	Chapter-17	Lectures Problem Solving				
		20,21,22	Basic Quantitative Data Analysis	7	1,2,3	Chapter-20	Lectures Problem Solving				
		23,24	Communicating Research Results	8	1,2,3	Chapter-25	Lectures Problem Solving				
25	Assessment Methods			Assessment Types			Marks				
				Attendance and Class Participation			05				
				Class Test			15				
				Assignments/Presentation			15				
				Midterm			25				
				Final Exam			40				
Total Marks			100								
26	Grading Policy	As per the university policy									
27	Additional Course Policies	a. Class Attendance and Participation: You are expected to attend all the classes. Your on-time presence, along with the suggested study materials, will also be considered as active class participation. b. Examination: There is NO provision for make-up of missed classes and quizzes. c. Assignment and Term Project: All course related assignments are expected to be submitted on time. d. Counseling: You are expected to follow the counseling time-table as set out in this course.
